# ERDEVEN 2025

WITH STRENGTH AND BEAUTY

2020 had brought us its share of darkness, a year of unimaginable chaos, a confusing period. 2021 sweated from these indigestible odors. Two years which deprived the CORNER STONES of the pleasure of welcoming you.

Everyone of us hoped in the future and wished the return to a little more of serenity. Our Fraternity participated in this Hope. This is why we are happy to renew the invitation and hope to welcome many of you at the next annual meeting of the Widows Sons in Britany-France for "Erdeven 2025".

We hope that this event will be placed under the sign of Friendship, Fraternity, Solidarity and the pleasure of being together.

So we offer you an « all-inclusive » formula on the site of Keravel holiday village in Erdeven.
